

8. As a Patient, I can pick a specific Doctor to book an appointment with (120)

in list Features

Description

1. After selecting a specific doctor from the list a Patient should be able to see his opening times (Appointment window's) to pick from, a time slot should be equal to 15 minutes only
2. A Patient should be able to write his issue to the doctor and also upload images or documents about his medical problem

Test

0%

- ☐ Register a Doctor account and set a specific Specialty
- ☐ Approve the Doctor using the Admin account (MOH)
- ☐ As the Doctor account, set an appointment window
- ☐ Register and Login as a Patient account and search for that Specialty and show the newly created Doctor
- ☐ Select the Doctor and see his appointment window
- ☐ Select the date and time for the appointment
- ☐ Upload an image (document) and type a description of the medical problem
- ☐ Login as the Doctor and see your upcoming appointments
